ROAD TRIP | A Shutter Hub Editions Publication

About this book

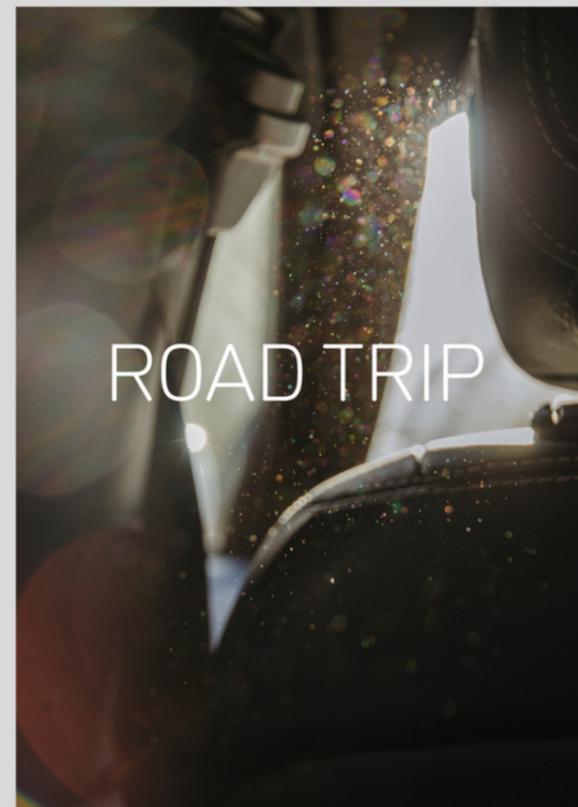

In these 100 images, 72 photographers transport us through their imagery, show us how they travel, where they go, the places they stop, the reasons they travel, and everything in between. There's something wonderful about a road trip, a certain sense of nostalgia and adventure that can't be matched.

THE LEOPARD PRINT PORTRAITS

by Gemma Taylor | A Shutter Hub Editions Publication

About this book

Since Christian Dior gave leopard print its catwalk debut in 1947, it has stirred strong opinions and helped to define icons; including Scary Spice and legendary British TV characters, Bet Lynch and Kat Slater.

This joyful collection of street portraits turns the spotlight onto everyday icons. Gemma Taylor photographs people across the UK who share her love of leopard print - including the occasional dog!

HOME | A Shutter Hub Editions Publication

About this book

Home can be found in a person or a memory, in a place or a feeling.

The holding of hands, the warmth of a smile, a sentiment, memory, or sense of belonging. The comfort of home doesn't always come with four walls.

Home can be anything, anywhere. What does home mean to you?
